

Name: Dr. Mukesh Kumar
Designation: Assistant Professor
Department: Geography
Faculty of Arts Craft and Social Sciences
Email ID: mukeshbn85@gmail.com

About: Dr. Mukesh Kumar is a seasoned scholar in Geography, with many years of academic and research experience. Holding a Ph.D. in Geography from H.N.G.U. Patan, Gujarat (2020) along with an M.A. and B.A. from the University of Rajasthan, Jaipur. He has contributed significantly to geographic studies, particularly in water resource management and environmental sustainability.

With nine research publications and participation in 15 conferences/seminars, he has explored critical issues related to water availability, conservation, and sustainable development. Their research work, "Water Resources in Sikar District, Rajasthan," examines the region's hydrological patterns, groundwater depletion, and strategies for efficient water utilization. Through their academic contributions, Dr. Mukesh Kumar continues to shape discussions on regional planning, climate adaptation, and resource management.

Experience: 15

Qualification:

- P.hD Geography, H.N.G.U. Patn. Gujrat, India 2020
- M.A. Geography, University of Rajasthan, Jaipur 2013
- B.A. University of Rajasthan, Jaipur 2006

No. of Research Publications: 9

No. of Conference/Seminar: 15

Research Work: - जल संरक्षण: सीकर जिले में परंपरागत और आधुनिक दृष्टिकोण।

Areas of Interests:

1. Groundwater Management – Studying depletion trends, recharge techniques, and sustainable usage.
2. Hydrological Patterns in Sikar – Analyzing rainfall, drainage systems, and water distribution.
3. Water Conservation Strategies – Exploring policies and techniques for efficient water use.
4. Impact of Climate Change on Water Resources – Investigating how environmental shifts affect water availability and quality.
